Descriptions of Available Reports

Name of Report	Description
Award Amount Summary by Member	Provides summary-level data on features heard, damages sought, amount awarded, and percentage awarded during given timeframe, by member company.
Award Amount Summary by State	Provides summary-level data on features heard, damages sought, amount awarded, and percentage awarded during given timeframe, by state and member company.
Company Visible	Lists companies TPA can view and file on behalf of and companies that can view TPA.
Feature Detail (Recovering or Responding)	Provides details for features filed or responded to by TPA during a given timeframe, including damages sought, feature status, member company, and claim rep. information.
Features Published (Recovering or Responding)	Provides details for features filed or responded to by TPA and heard during given timeframe, including damages sought, award amount, member company, and claim rep. information.
Features Withdrawn (Recovering or Responding)	Provides details for features filed or responded to by TPA and withdrawn during given timeframe, including damages sought, award amount, member company, and claim rep. information.
No Response – Features Pending	Lists features filed against member companies assigned to TPA that have an outstanding response as of the date the report is run.
Response Extension Requested Detail	Lists response extensions requested at the summary and feature level for assigned cases. Includes member company, date requested, and claim representative information.
